Fond memories of going to Tubmans for eggs as a child living on the 10th concession of Flos and visiting in the farm kitchen. But the best is the recipe I took from home when I headed to the big city that was for banana muffins. The handwritten copy in my recipe book from the 70's and the computer copy all have 'Mae Tubman's recipe' noted in the top right hand corner of the page. My kids were raised on them and I have made that recipe numerous times for yard sales and to share on night shift. You will be remembered. Susan (Ritchie) Harrop

Elaine, I never had the pleasure of meeting your Mom, however, the photo shows what a lovely lady she was, living a good, long life. Thinking of you and your family at this difficult time.
