To my friend Karen, As the song goes, "thank you for being a friend". Our many years of friendship meant more to me than you'll ever know. We shared laughter and tears, raised our boys and had more fun at Maple Syrup than anyone - hence the "pail award" - lol. Maple Syrup will never be the same...You fought the fight right up until the end, I am so proud of you. You have been an inspiration to me for when times get tough. Though you were never one for being sentimental, I want you to know how much you were loved by me and by

those who really knew you. Take care my friend, I miss you already. Love always, Wendy xo
