To All Who Loved Ann Muttutat: Betty was my Kindred Spirit as we always called one another. We talked and met many times over the years. We shared sorrow and joy, especially a few years ago when Keith Ward her son passed. I loved her as I love my own mother. I will remember her as a living example of always seeing the best in one another, enjoying the life God has given us to the fullest, and to always forgive others. Betty saw beyond our human failings, and to goodness that is in everyone. She loved and forgave no matter what. Let us, the living, follow her example. Betty, may your soul rest in heaven. I will never forget you. Love Sue

I pray for you mom as you are with God now. You have lived a full life and have been blessed and so happy in the last years. Know that God takes care of you. You, dad and Keith are together. May the gifts you have given to all of us be of hope as we remember you. The music is playing your favourite tunes "Amazing Grace" and "Psalm 23".. Go in peace.

To the Ward family. From the bottom on my heart I pray for all of you at this time. I did not know and we would have been there to honour your mother. Please know this comes with our prayers and deepest sympathy. She is at peace with God, holding her gently now. May the comfort of one another give you strength. She is with your dad and Keith. With deepest sympathy to you, Karen, granddaughters Tarah, Nicole, Jessica.and great grandson Jackson.

Mrs. Ward was a beautiful person and I will always remember her fondly. She had a lot of love to give and shared it well she will be missed. The last time I remember her was at Karen's last home with her present husband and she was very happy.
