

SHERRY TERESE HALEY

To the family of Sherry, On behalf of my family, our sincerest condolences on the passing of your mother. Her and our mother, Anne, were roommates at Sara Vista for the past 6 months until our parents were able to move into a room together. I enjoyed your mother's company when I would visit. She was a lovely lady with a beautiful smile and a funny wit. May she rest in peace. Sincerely Christine (Artymko) Mason

my darling sister , the oldest of 11, paved the way for the six boys and four girls that followed. She was the one in the family we all aspired to . Then came Mary, curly hair and that smile ,I wish we could be with you all , Mary and George , jenn and Chris and their families . And Bryan, Sherry never stopped talking about him . Love from Aunt Candace and Uncle Ozzie and all the families in Cape Breton .

Sending my condolences for the loss of a lovely Lady. She had such a great sense of humour. Many evenings she would join us for our dinner break. She will be missed by all the staff and residents at Sara Vista. God Speed dear Sherry. Teresa LeTourneau- Registered Practical Nurse.
