COLLEEN JUNE GRAHAM

My deepest sympathies from myself and my Father. Colleen was so kind to me and I considered her my second mom growing up. She was such a great person and was always positive. Rest in peace Colleen and thanks for being such a positive influence in my life. You were one of a kind. I'm sure you and mom are talking about Mike and the crazy adventures we had up in Heaven.

All the words seem inadequate . Because they are. My childhood would not have been the same without your family. and all we shared. I am incredibly sorry to hear about Aunt Colleen. She was so genuine, so giving She put everyone at immediate ease. She made things brighter and more fun. Her laughter and kindness seemed boundless and touched many. She's the only one I know who could make both kids and adults burst into into fits of giggles even if they were having a bad day.. I hope you find the strength you need to help you through this very challenging time. Love Sonya

Dear Rod and family we send our deepest sympathy to all of you. Thank you April for having contacted me about your mom’s passing. We were penpals since our childhood and in later years would phone each other. She spoke so highly of you her family ,children and grandchildren.How grateful I am to have been able to meet Colleen on our trip in 1992. She was very precious. Our thoughts and prayers are with you. God Bless You and May He Give you His Strength and Peace. Jean
