Lynn, we were just talking the other day about the time Ed made us all mason jar cherry pie and what an amazing baker he was. He was quite a character with an easy smile and ready laugh to share. You are in our thoughts and prayers at this tough time.

Dear Lynn: You have been on my mind a lot since I heard about Ed. I can on,y imagine what you are going through at the moment. I saw Lesley today and she said the celebration of life for Ed will be in June or July. Please call me if you need someone to talk to. You know I will understand. Love, Senga

Lynn and boys….just know that you are thought of quite often and even more so now…..He left all of us with such fond memories, especially myself since we knew each other from such an early age….He was always so willing to give a strong, helping hand…..and was a very accomplished carpenter…..Even though there was distance between us, we always kept in touch …..Our last conversation on the Friday before is another memory that I shall treasure always……Rest, my friend, until we meet again…..
