Paula, Barry & the Desjardins family I'm heartbroken to hear of aunt Darlene's passing. I will always remember her great big hugs & smile no matter how long it had been since I last seen her & I will always remember her wonderful laugh. Sending you all hugs & condolences during this very difficult time. Patsy & Brent Labatte

My thoughts go out to the family. I only worked with her for a short time but came to admire her work ethic rather quickly and as an overall amazing woman. Her TF family will greatly miss her
