A life well lived leaves its gentle pattern on the hearts of all and the world is a lovelier place because Sheila touched it with such warmth and goodness and grace. With heartfelt sympathy, Barb.

I have three children that will carry a part of their Grandma Sheila with them where ever they go. Jayd, Kai and Shea were fortunate to have such a kind, peaceful human being pave the way for their lives. Brian, I am so very sorry for your loss. May the beautiful memories of your life with Sheila shine brightly for you in the coming months. Take care, Jennifer
