It is with great sadness to hear of the passing of Don. I have nothing but fond memories of the few times I ever met with him going way back to playing baseball and the few times we met at Georgian Downs. My condolences to JoAnne and family. God bless and Rest In Peace Amo!

I am so sorry to hear about the passing of Don. Our father, Doug, knew Don for years, was very fond of him and had nothing but the utmost respect for him. After our Dad passed in 2001, my brother and I were invited to the Rattlers annual golf tournament. At our first tournament, Don made a point of coming over to reintroduce himself and made us feel very much welcome at the event. He was a class act with a great sense of humour. Our sincere condolences to the family.

I went to school with Don and remember many great times we all had. It's always hard to say goodbye but oh what joy awaits us when all join one another in our heavenly home. Don is now enjoying all comforts of his heavenly home.

I've know Don for over 30 years having played on several different Old timer's teams including Panasonic, The Rattlers, XKL and more. He was a fierce but fair competitor; with a ready laugh and sharp mind. He and I roomed together on several tournament trips, and I especially recall one trip to Kirkland Lake around the start of the turnaround for Magna during which he demonstrated immovable resolve and authentic compassion under the most trying circumstances. We talked about family and business well into the wee hours and it galvanized our acquaintance into a friendship. I'm proud to have been a longtime teammate of Amo as we called him in the room and my thoughts are with the family and Don's memory. Patrick Keenan

Our deepest sympathy to Joanne, Darren and Laura. I enjoyed working with Don for over 30 years, always a class act. we also enjoyed playing golf with Don and Joanne, and I was able to skate with the XKL guys a couple of times and attend the Rattler's golf tournament. He will be missed by all, but what great memories he leaves behing
