Our thoughts and prayers are with all of you at this time. When families imigrated from Holland to Canada they became each others families. For that reason Tom is so proud to have called your mom Tante Dien (which I was lucky to be able to do too). Your mom was an amazing woman who entertained the boys when they came for coffee on Thursdays with your Tante Gerry. The strength your mom showed wasn an inspiration. The love she had for each one of you was there in her smile when she spoke about her family. Take care and may the memories you have keep the smile in your heart.
