I am so sorry for your loss. John was a great guy, so laid back and easy going. He was probably one of the kindest souls that I have known who never said anything bad about anyone nor did he have a mean bone in his body. His quick wit and one line zingers kept us laughing and smiling whenever we were in his presence. He will be truly missed my so many, I am sorry that I will be unable to attend the service tomorrow but my thoughts will certainly be with you. Love and Hugs to all. I know that you will give him a great sendoff.
