To Lisa, Pete, Paul and families. Our sincere condolences in the passing of your mother. So difficult to lose a parent, especially the second one. □ Thinking of you all at this difficult time. Keep the memories of her close. I can still hear my dad's voice and his greeting whenever he would call to see how my turkey hunt went. Love those memories. I am sure you will find some to cherish. Hugs. C

So very sorry to learn of June’s passing. My thoughts are with all the family as they adjust to life without Mom. Although I did not know her well, on the occasions when we would meet she always made me feel like a welcomed member of the family. Sincerely, Pat Crowe (late Wayne Crowe)

I am very sorry to hear about June passing away. She always referred to herself as my older sister. June made sure to include Bill and I in all family activities. I will never forget the great time the four of us had on our Alaskan cruise. All the memories I have of June will be cherished.
