

FRANCIS (FRANK) HORGAN

Sorry to hear of his passing. Haven't seen him in years, but any time I was invited into his home, he and his wife always made me feel as if I was in my own home. A great man and a great patriot. Canada has lost one of it's finest!

Dear Julie and family, we are so sorry to hear of the passing of Frank. He was such a wonderful person who everyone loved. The children who grew up in Wasaga Beach always looked forward to going to the store with their parents so they could see Frank, and they will always remember him as the wonderful man who always gave them suckers or candies and had something nice to say to every one of them. He will be greatly missed.

Sending our deepest condolences to Frank's family. He was one of the most kind hearted gentlemen. I always remember him helping anyone and everyone at our local grocery store. Always had a smile for all, and suckers for the children. God bless you Frank. Very saddened by the news of his passing.

I am so sorry to hear of Frank's passing. He was such a wonderful kind man. I had the pleasure of him being my flower delivery person for a few years. He always had a twinkle in his eyes and would sing happy birthday to the ladies if it was their birthday. Such fond memories and fun times we had in the store with him. I wish I could be there to pay my respects but I am out of the country. Bless him and my deepest condolences to Julie, the love of his life.
