

OWEN FRANCIS SMITHAM

Dear Ann Jessie and Ira We share the sorrow you are now feeling in the loss of a dear husband and father. To us he was a beloved neighbour and long time friend. We have many fond memories of Owen and had a quite a few good laughs when he was here with Doug building our sunroom a robin would sit in the tree beside the house and sing to him all day no matter what Owen was doing or how many times he told it to stop it kept right on singing.

Dear Anne, Jesse, Ira I got to know Owen better on our snowmobiling adventures. It was always great when I heard Owen was coming. I knew between my Dad and Owen there would be laughs shared and memories made. Your husband and father was truly a great friend to my Dad, Mom and I thank him for that. I was deeply saddened to hear of his passing and you are all in my thoughts. Jamie Gratrix and Family

The members of the Elmvale Curling Club send their sincere condolences to Anne and family. Owen was known for lifting his rock high in the air to clean and then gently come down to release the rock. Strong and gentle says it all. Owen will be missed.

February 27, 2018

My deepest sympathy goes out to the Smitham family. Owen was a great inspiration for me. He encouraged me to venture out west once he had settled there. It was an adventure at the time that I would not otherwise have undertaken. He lent a helping hand at tree planting time and in turn I enjoyed lending a hand on his log home. Through the years we spent many great times together as friends and enjoyed a lot of laughs.

Ann and Owen were my neighbours in Sparwood, BC. They were absolutely wonderful. We share stories, meals, holidays and family! They were my family while we were there. They came and visited once we settle back to New Brunswick. Sadly, we have lost touch over the years but I have never stopped thinking about the great friends they were. So imagine my surprise when I google Owen's name and found out he had passed. So I'm sending my belated condolences to the whole family! Carol McLaughlin
