To Doug's Family, Sorry for your loss. We enjoyed visiting with Doug when we would go for the mail. He was always waving at the window when I would come home with the bus. He will be missed on Lion's Court.

Doug will be sadly missed by all of his neighbors on Lions Court. He was a very nice neighbor who kept to himself but was there when you needed him. He always waved to us when he was outside cutting his grass or doing yard work. We would ask if he needed help and he'd say "no I got this, but thanks anyways". I remember him moving all of the stones to build his retaining wall all on his own. He'd give my boys Popsicles or Mr. Freezies in the summertime and always had his door open. He would babysit my bird daisy when we went camping. We no longer have the bird nor go camping. I would see him at the Elmvale sales barn and he always had a smile. Doug will be missed for sure. Our thoughts and prayers are with his family and friends during this difficult time. The Marion Family
