

GARRY KENNETH TURNER

Our Condolences. Over the many years we have good times while Curling, Baseball and a game of Golf. Garry had lots of patients with my game and many laughs. I will never forget that tournament and coming back to their house to finish the evening. What a blast. Garry will be missed around the ball diamond. The Merchants will miss him. May he rest in heaven.. Never know maybe Den and Garry have started a ball game or curling game. Thoughts are will you at this time. Denise, Robert, Zachary and Emily McLean
