ROBERT DAVID FRIEND

My thoughts and prayers are with Maureen and family. I worked with Bob for several years and he was one of the nicest people that I have ever worked with. Bob was always a happy go lucky guy with a big heart and he knew how to make us all smile and laugh. Bob was a wonderful man and I am happy that I had the opportunity to work with him. Rest In Peace Bob.

To Family, Friends and loved ones; I remember Bob always having a smile and a happy laugh, being positive, friendly, supportive, family man, loving partner to Maureen and just an overall gentleman. He will be missed. Heaven has gained another good man. May the strength and love of his family see them through as they lean on each other while grieving their great loss. R.I.P. Bob.

Maureen, in this moment of loss, words somehow feel ineffectual. Losing someone you love is never easy, and you can only try to remember how blessed you were to have shared in his life. Wishing you peace to bring comfort and the courage to face the days ahead with loving memories to forever hold in your hearts. Please know that Jim & I are thinking of you and your whole family. May God rest his soul in peace.

Jenna and Grant - A conflict of emotions follows the passing of one you love as your father who was suffering from a dreadful disease. Remember him as the lovely man that he was to you and others, including me, and feel the relief that he is no longer suffering. Not easy and tearful but overall a rich life experience to have had him when you did. Love to you both, James

Oh Maureen! I am so sad to hear this news. I didn’t realize Bob was ill. ALS is a tough road to travel. I certainly don’t need to tell you that. I like to remember the early days of your immediate and intense love for each other. Your wedding was lovely. I hope and pray you had tons of fun during your married life. Bob left too soon but I know he left you with plenty of memories. May they help you in the days ahead. Thinking of you and your family at this sad and difficult time. Barb Ennis
