I am truly saddened by the passing of Ruth. She was such an amazing woman and a great support to me. I wish I had spent more time with her and made more of an effort to see her while she was still here. I'm glad we were able to enjoy EDHS Day with her last May. You will be missed Ruth '•

The Broken Chain " by Ron Tranmer We little knew that day, God was going to call your name. In life we loved you dearly, in death we do the same. It broke our hearts to lose you, you did not go alone, for part of us went with you, the day God called you home. You left us beautiful memories, your love is still our guide, and though we cannot see you, you are always at our side. Our family chain is broken, and nothing seems the same, but as God calls us one by one, the chain will link again.

I knew Ruth through her commitment to growing good food -- especially garlic and onions. She often purchased seed gifts for friends and always made sure to give us feedback the following season. Ruth gave us some really good gardening advice to share in our seed catalogue one year: "Don't be afraid to try new things - experiment. Even if something doesn't work out the first time, try it again. If it doesn't turn out as you had hoped you might be surprised by what you can learn from the experience." Thanks for all your wisdom and experiments, Ruth; we'll miss you!
