Jean was a very special lady. I have fond memories of her and Ewart when I chummed with Jack in our teen years. But one of my fondest memories, from just a few years ago before she moved to nursing home, is when she dared me to take her for a ride on the back of my Harley Davidson motorcycle. We had a memorable gentle ride around the block in Elmvale. She will be welcomed in heaven by her family that has gone before her. RIP.

Dear James, Joanne, Bruce and Wendy, and families: Thelma and I are sorry to hear of the home-going of your dear mother. Precious in the sight of the Lord is the death of His saints. May you experience the peace that comes from our loving Heavenly Father during this time of loss. May the words of our Saviour, Jesus Christ, sustain you: "Let not your heart be troubled. You believe in God, believe also in me....I go to prepare a place for you and ...I will come again to receive you to myself." John 14 My dad and mom taught us a song when we were kids growing up which Ruth sang and dad's funeral: Walking along life's road one day, I heard a voice so sweetly say, "A place up in heaven I' m building thee!" My beautiful, beautiful home. Home sweet home, Home sweet home. Where I'll never roam. I see the lights of that city so bright, My home, sweet home. Love and prayers, David and Thelma Robins
