So sorry for your loss. Have fond childhood memories of visiting your mom and dad in Toronto and when you made visits to Amsterdam. Also remember when your parents moved to the farm and your mom baked with the brick oven! She was a cherished neice to my grandfather (Uncle Frank) and cousin to my Aunts ((Mary Lou and Nicholina). Our deepest sympathies.

Claudia & family....So very sorry for your loss of a loving mom and nonna. I recall visiting the farm with my mom early in the morning so we could pick the zucchini flowers while open, then batter and deep fry them while our moms laughed and shared the stories of their journeys to Toronto then north. May you find peace in the beautiful memories, Michele
