Dear Chantel, Rick and family, Doug was one of my closest friends and one of the biggest influences in my life. He was a man of extraordinary wit, character, and intestinal fortitude. His passing has left a huge hole in my heart as I am sure it has yours. Please know how fondly Doug will be remembered by his friends and peers and how grateful we are for the time we got to spend with him over the years. He has shaped who we are as people, and who we are as an organization. My deepest condolences.

Chantal and Family, I will not be able to attend the Celebration of Life, but know my thoughts and prayers are with you. Your dad was an amazing man who made coming to work enjoyable. He always had a story to tell and a joke to make us laugh. He will be incredibly missed. Thanks, Sam

Chantel, we are so sorry for your loss. We have (and will always keep) great memories of your dad. As sick as they kept telling your dad that he was, every time we saw him he was always laughing and saying he didn't believe them. "Top drawer!" Love Craig and Lauri

I am nearly 32 now and when I was just 16 Doug gave me a chance, gave me a job and gave me confidence I needed at the time. He believed in me then, and always picked me up when it was needed. Since then over the years he has checked in just to see how I've made out. Giving him a big hug each time I ran into him, and just knowing he would find a way to make me laugh. He truly had a heart so rare, that I've never forgotten him. He made a difference in my world when I needed it and I am absolutely sure the same for anyone lucky to know him. The world won't be the same without him. Truly a heartfelt amazingly kind soul put here to bring out the best in others. I am deeply saddened and sorry to his family who will feel this loss so strong. One strong, hard working; great example of what it is to be a good person, taken to soon.
