

KEITH "PUGS" RAYMOND HENRY DWINNELL

So sorry to Pugs passed away. Many good memories grown up. Never new what the McGinnis Boys and Pugs would be up to. Tim and Tom have kept me updated on his condition and was sad to hear yesterday that he had passed away. My thoughts and prayers are with the family at this time. Denise Ritchie-McLean

I am so sorry for your loss. I was one of the Driver Trainers that worked at Barrie Transit. Really enjoyed working with Keith when we did Health and Safety and other things that we ended up working together on. I retired 7 yrs ago but I still keep in touch with several people. Condolences to the entire family.

Dear family and friends of Keith, may our God of all comfort be with you in this time of loss. May the good memories you shared as well as God's promise of paradise give you hope. "He will wipe out every tear from their eyes, and death will be no more" Revelation 21:4. As we all look forward to that beautiful paradise where we and Keith can live forever in perfect health- Isaiah 33:24, I wish you God's peace.

To Pugs and all of your extended family: Adaptation of a fictional letter; Schaffer and Barrows 2008; Earth seemed a desert I was bound to traverse seeking to find familiar faces and can't quite account for why I recognised these as yours, but I did. Do you suppose it is possible for us to already belong to someone before we have met them. If so I belonged to you or you to me. Or me simply to the spirit of you I found in Canada. That is as good a definition of family as any I know. Goodbye my friend With love Andy in England

So sorry to hear of Keith's passing, far too soon. Who can forget summer and winter "Hunt Camp" trips, where Pugs did his best to keep us all in line. Also, his appearances with the men's precision skating team at Figure Skating Carnivals. My condolences Jim Dixon
