Sheena I am shocked and feeling for you and your family. Jeff was always smiling and carefree. He was ever so sweet to me when we worked together and the Financial team at NCR always had a lot of fun amongst hard work. He is dancing with the angels. Live in his memory as they will help you remember this great guy.

I was a school mate of Jeff. Although we lost touch I remember him like it was yesterday. It sounds like his personality never changed. I have many fond memories and I am so sorry for your loss. Lisa

Jeff was great fun and a great guy and always there to lend a hand. He will be missed I know for sure. He helped Elaine and I paint our first house in Brampton. Rest in peace Jeff.

It saddens me to hear that Jeff is no longer with us. He was such a great guy I haven't seen him since my early 20's but I was just talking about him and then heard he had passed. We spend a few Christmas holidays together and family gatherings. He and my cousin came and painted our new house when we bought our first house. Great laughs with him!
