My heart is wounded for Maddie, Connor, Mike and family. Leigh Ann was such a bright light. She always had time to listen, share, laugh and enjoy her friends. She was such an important member of our Forest Hill staff. In her own special way, she would sense who needed a hug or a kind word and she give you that beautiful smile and brighten your day. Her laughter was infectious. She made a point of going out of her way to welcome new staff, students and parents. The students of Forest Hill P.S. we're very lucky to have Mrs Brown in their classroom. She had such a big impact on hundreds of students. She encouraged students to believe in their abilities, take risks and enjoy t!heir days at school. Teachers were lucky if they had the opportunity to work with Mrs Brown. I was very lucky to spend my final teaching year with Leigh Ann. We had so much fun. She had an amazing work ethic. The kids just loved her, so did I! Leigh Ann will always be remembered for being such a very extraordinary person who will never be far from my heart. With much sorrow and love,

I went to public school with Leigh when she lived in Listowel. She and I were great buds and although we lost touch over the years, I have thought about her many times and was so incredibly sad to hear what had happened. I can only imagine your sadness, as I'm sure she was an amazing mom and wife, as she was always so kind and lots of fun.
