Susan was a blessing to everyone who knew her. What I remember most is her infectious happy attitude. She was generous and kind--especially to my niece Hillary, whom she babysat a great deal and was Hillary's favourite. I send love and wishes for peace and comfort to her family--Adam and the girls and my sweet and kind aunt and uncle--her parents. Susan was, and is, LOVED greatly, by many many people. And it's a good life if you can say that.

Hearing of Sue's passing was difficult yet I know she is no longer in pain. I had the pleasure of working with Sue and she always brought light and laughter to all places within the school, where ever she was. Sue will be forever remembered for her positivity, willingness to take anything on, and infectious smile. Adam, Kate, Sophie and Sue's mom, dad, sister, and family are in my thoughts during this difficult time.

I first met Susan when Sophia and Aydan attended a mom group at Holly Rec Centre when they were just babies. Our paths would meet again when I was blessed with having her as a Kindergarten teacher for Aydan. Over the years we would continue to run into each other at different teacher functions. I was devastated to hear of her passing but happy that her pain has finally ended. The world has lost a fabulous woman. ☐

Susan was such a special gal. I first met her volunteering at HCPS taking the grade 3's skating 3 years ago. We talked about teaching and how it was fun to volunteer. My daughter, Julie Ritchie was a dear friend and was Susan's hairdresser. Just 3 weeks ago I arrived a Julie's and Susan had had her hair coiffed and looked adorable. Julie had taken the cutest photo of her. Susan knew she was at the end of her courageous battle. I am so saddened but I know wonderful memories of her will live on after her passing. She's in Gods arms now and will be present in her families lives as a guardian angel. Rest In Peace beautiful lady.

I am so sad to hear of this news. Susan was our nanny in 1995 for a very short while, and she brought happiness to our daughter's life as I made the difficult move to return back to work. We remember her with much love, and I am so happy to know that she became a mother - I'm sure she was a wonderful one. I have a couple of pictures to share if the family would like to email me.
