Johanna and family, my thoughts are with you. Volta was always an interesting man, had many great conversations with him. Joanna (and family) I live right next door at 27, so if there is anything you need, anything at all, please just call, anytime, day or night. 705-725-2086. Happy to cut the grass, snowplow the snow, take care of whatever little jobs you might need done in the house, whatever. Just a call away. We'll miss him! Steven Fielder
