Dear John, Glenda, Lorraine, Rob, Darlene and families, Our heartfelt sympathy goes out to you in the loss of your father, grandfather/great grandfather. We pray that you will receive the comfort of the eternal God, the God of all comfort, in these days. I (Elinor) have such good memories of meals, skating and swimming at your farm and of your father and mother providing meals, laughter, rides and fun for all of us. It has been a source of happiness to see your Dad so active all these years and to visit with him. With love, Robert and Elinor Riegler

The first time I met Murray was when he drove me back and forth to phelpston school. It wasn't until I started working for my dad at Moreau farm equipment that I started to get to know him. He was a great man and I enjoyed stopping on my way home from work to say hi as he cut the grass. There weren't too many people who had the work ethic like he did and there is no one I have ever met that had a handshake even close to his. Only man I knew that could put me to my knees at the age of 90. He will be missed and all of us our lucky to have known him
