I am so very sorry to hear of Jill's passing... To her family, please accept my heartfelt condolences at this difficult time. Jill has left a wonderful legacy of love through the art of food provided to her many Guests over these 20 years through Pieces of Olde. I so enjoyed the quiet and serenity of it's environment. She is truly an Elmvale icon and an inspiration. Rest in Blessed Peace, Jill.

Jill always greeted us (most Friday's) with a smile and true interest in what we had being doing. She shared her interest in travel, her family and being blessed with a sense of community. She will be missed. May her pleasant memories, of life and how to maximize it sustain all of you. Regards Penny & Bob

I am so sorry to hear about Jill's passing. She was a special person who cared deeply about everyone around her. I always looked forward to seeing her in the spring when we opened our cottage. Her tea biscuits and baking were the best! She will be missed.

To the entire Leiper family, I am sending you my sincerest condolences. I was very sad to hear about the passing of Mrs Leiper (as I called her). The love and kindness that she bestowed upon me will never be forgotten. I remember Mrs Leiper as a kind, generous and nurturing second mother who always left the door to her cozy home open for all. My fondest memories include her incredible cooking; notably her cheesy hash brown potatoes, her infectious laugh, her warm smile and how she always used to walk around comfortably in her long underwear. I am sorry I did not have the opportunity to say thank you for all you had done for me. The times I spent with you and your family during my formative years are some of my most cherished memories and for that I will always be grateful. You will be missed. Sending you all love from the other side of the world. Thinking of you all. Much Love. Jeff Woodrow

Come cottage season, Pieces of Olde was always a favourite place to go.....always warm and welcoming, we enjoyed so many lunches there.....and of course those wonderful pies. When we arrived this spring, it was very sad to find that Jill's health had caused her to close. I always admired Jill's courage to carry on through so many trials....and always with a smile and cheery word. Her friendly greetings and chats are very much missed. I still keep a little vase, bought from her gift shop years ago.....a keepsake that will always remind me of Jill. My sympathies to all her family. Most sincerely, Janice Stewart (Woodland Beach cottager)

To The Leiper Family, Our deepest condolences to all. Jill was a kind loving soul that had an infectious laugh. We got to know Jill and Jim as the key volunteers for the HV racing team over 25 years ago. We also enjoyed many wonderful meals at Pieces of Olde. Even though Jill had a few health challenges, she rarely complained and kept a positive attitude. We were all blessed to have met her. She will be missed. She will be long remembered. God Bless. So sorry I missed the celebration of life for Jill. We shared a love of all things petal ware. She was so kind to me and my family providing the food the venue for recent bridal showers. She always went the extra. So enjoyed coming in to Pieces of Old over the years. I was so glad I got to know her for more than just her great pies and desserts. So very sorry for your loss.

Hi Jim, John, Julie and Family Yesterday I was in the Valley and saw Jim who shared the news. I knew Jill had been sick but was sad to hear she had passed. Good reminder to me that life is short and to be kind. As you know, Jill had a big impact on me and her family has been in and out of my life over a 25 year span. She was always so willing to dig in, critical in her though process and thorough with her work. She taught many of us some tricks in ski racing admin and always took care of the details. I am sorry for your loss and that of the great community of Horseshoe Valley. I trust you have so many great memories. Nigel
