Giles, we are so sorry that we never got the chance to meet you in person. We've heard so many good things about you from your dear sister, Diane Ouellette. She is such a genuine, caring person who puts a cheerful smile on everyone's face. Over the past few years, she has become like family to us. Through her eyes, you have also become a loved one. We would like to share our deepest condolences with your family. May you rest in peace in Jesus' name. Susan & Enzo Stoppa and family

Dear Giles, We send our condolences to your dear sister, Diane, your nephew, William and the rest of your family. We wish we could be at your celebration of life with Diane & William. Diane is a very dear member of our family. She does so much good and touches so many hearts. She speaks so highly of you and your late parents. Make you rest in peace in God's arms, as you smile down towards Diane & William.

My condolences to you my friends Diane and William. You have been looking forward to organize and celebrate your brother's and uncle's Giles 60-th birthday this August 2020 to reunite with him, dearly missed always by you from a distant relationship, while you were always so close and have similar people loving personalities, that welcome and help many. Giles is united in Heaven with loving God and your parents. It's faith, hope and love, that is left for us on Earth through Jesus Christ, our Saviour, who after His Resurrection, out of his love came to live back with his disciples for 40 days before His Assumption to Heavenly Father. We have the home there, too.
