Marjorie, Keven and Jennifer Our Deepest Sympathy to the Bell Family . John was a Amazing man who we will miss seeing around the Park but we know he will always be there in spirit! My Father and now my family have been at your park for nearly 30 years and have enjoyed every minute and hope to be there another 30 ! I must tell this story, when we decided to move to Birch st from Deer Run , I asked John if it was possible to get my receiver from on top of the T.V antenna down, John said YES, I WILL BE RIGHT BACK! Well about 10 minutes later he came back with the tractor and pulled the whole Antenna out of the grown and helped me set it up on my new lot !!! That showed me right there the Amazing Man John Bell is and how he wanted to keep his customers and friends happy ! May you Rest in Pease
