

MARY ELIZABETH ANDERSON

Your mom will be at rest finally. She fought a tough battle. I have many great memories of working with her for a lot of years. Losing your mom at any time is devastating, but at a time like this, must be even worse. My thoughts and prayers are with you. Keep well. God bless.

We are sorry to hear that Mary has passed away. Linda and I extend our condolences to Barbara, Janet and their families. I have vivid memories of growing up with Mary and her younger sisters on the 2nd line of Flos, going to school at SS#2 and EDHS. The Turner family were wonderful neighbours and well respected in the community. Mary was great role model to everyone who knew her.

George was a teaching colleague of Mary's in the 70's at HCES. She was a skilled and empathetic teacher and an outstanding, co-operative staff member, ready to help with any task. Her good humour was a balm to us all. We wish we could trade stories with family and try to bring some comfort in this time of loss. Mary and family, our love goes out to you as you adjust to this new reality - life without Mary. George and Ruth

Carla and family, I can't express adequately how sorry I am that Mary is no longer alive. I couldn't count how many meals I ate at her table and how many nights I spent at her house. She always made me feel welcome in a way that few can. She taught me a lot about living with quiet dignity. I will cherish all the memories I have of her from all those Christmas Eve parties to summer fun. She was an amazing woman who loved her family. I'm a better person for having known her. Lots of love, Laura

To the Anderson Girls - Please know that our thoughts are with you and your families. Your mother was a great teacher back in the 70's (spoken from experience), and she was definitely a fighter. Not only was she the matriarch of your family, but after more than 30 years

of being a great neighbour, she was like the matriarch of our street as well. She will definitely be missed. From our family to yours, our deepest sympathies.
