Please accept my condolences for the family Cathy. Having just gone through this myself, I know how much you are hurting but remembering all the good times helps. I have known Mark and his family all my life. They're great people and Mark and I are about the same age. I didn't see him often but when I did run into him there was a grin and a wave!

My deepest sympathies to Mark's family. Mark always had a kind word to say and I always enjoyed the funny comments he had to make (where did he come up with all those expressions?). With Mark you knew there would always be a laugh. I always enjoyed the times he would just stop by for a chat while he was out riding around on his bike or if we would come across each other while out for a ride somewhere. Glad he got to enjoy his dream bike! He is very missed. John Bakker
