Our sincere condolences on the passing of your mother, grandmother and great-grandma. a mother is a light that never goes out not in your heart and not in your head Aunt Riek was always a very warm and smiley person. Dear family, especially our cousins Nick, John, Martina, Harry, Jerry and Terry, our sincere condolences on the passing of your mother and our aunt Riek. The last time I spoke to her on the phone was when our father Wim van Daal died, the husband of sister Nellie de Bruin, and that is already 3,5 years ago. But at that time she was still the optimistic, warm and interested aunt she always has been when she called or visited the family in the Netherlands. She always talked with a smile, that is how we will remember her. A mother should never die, it is hard to let go, but in a way she always stays with you all. Regarding this difficult social distance time, we hope you feel the support of so many people in the necessary intimacy of the service. Kind regards Els van Daal and John Jansen, the Netherlands

Dear family, we would like to sent our condolences to you all. What a sad news to hear that aunt Riek has passed away, after a short stay at the hospital. Our thoughts are with you and with your last goodbye today to your mother, mother-in-law, grandmother and even great-grandmother. Hope that good memories and her love will give you all the strength to remember and feel her inside you. Last year I (Wilma) had a phone call with aunt Riek and my father Walter. He isn't able to speak anymore, but his smile was reaching Canada when he heard her voice! She was proudly telling about the family and her daily life. We all remember aunt Riek as an outgoing person, her visits in the Netherlands always with a smile and humor. Lieve groeten uit Berghem, Walter van Keijsteren. Dear Family, It is always hard to lose a mother. She is the one that knew you as a child, the one that saw you play with Dinky toys or your puppets, the one that loved you unconditionally. And who loved your children and grandchildren just as much as you love them. We hope that all the good memories will offer you comfort. I remember tante Riek is a warm personality, cheerfully, brave and interested in other people. Not only in her personality, but also in her looks the similarity with our grandmother Martina is very clear. We, Jos en Martinette, hereby express our sincere condolences with the sudden loss of your beloved mother, grandmother and great-grandmother.

Dear Family of Henrica, I, along with my husband, Robert, extend our sympathy to you in the passing of your mother, grandmother, and great-grandmother. Having grown up on the farm next to your father and mother we knew Mrs. Van Casteren as a hard-working, friendly lady. Later I came to know of her courage and committed loyalty as she cared for your father in his terminal illness at their home in Anten Mills. We met her again three and a half years ago at Barrie Manor when our mother was admitted there for a short stay. It was such a joyful reunion! I feel some of your sadness. May God's comfort and His perspective of eternity fill your hearts and minds.
