I think of all of you often and wonder where has life taken you? I tell my children how very fond I am of Brenda, Carol, Jim and Donna and how much fun I had visiting Ena and her kids growing up. Sending you lots of love, Aunt Sharon and family

Dear Gord and family. We are so sorry to hear of Brenda's passing. She was ways a friendly caring person and we enjoyed her company in our shared adventures with the Blue Knights. Gord and Brenda were such a great team, a mutually supportive and selfless couple, that spread good humour and encouragement to everyone they encountered. Gord, our thoughts are with you. We know you will miss Brenda more than words can express. Take some comfort knowing that there are so many people whose lives you two have touched who will remember your kindness. Susan and Ken
