I was shocked to learn of Lorrie's passing as she was quiet about her illness. We became good pals at PineRidge sharing an October birthday and a love of curling and canasta. She was fun and fun to be with. Beautiful inside and out. I know she missed Terry. They are together now. My deepest sympathy to the family. I will miss Lorrie a lot.

I was shocked and saddened to see Mrs. Beavis's face smiling at me from today's local newspaper. She was always a favourite client of mine, always pleasant and up for a chat. She was a nice lady who brightened a Teller's day every now and then.

We are sad to hear of Lorrie's passing. We met her through yoga at the Gravenhurst Senior's centre. We loved her wit and sense of humour and frequently tested it by telling her that we had 'put some dirt' on her spotless car. A great laugh would follow.
