

## THOMAS LEONARD FURLONG

I have known Tom for many years but knew him best from around the ball diamond. Always a treat to talk to Tom especially when I was umpiring and his loved Ball Dogs were on the diamond. Rest in peace my friend.

Audrey & I met Tom & Gwen several years ago at a Martels' concert and a great friendship blossomed. I got his car fit for cruising & kept it that way for him. We had a lot of fun together. We will surely miss him. I'm sure he's up there now rockin & rollin to greats like Elvis, Chuck Berry, Buddy Holly, The Big Bopper, Richie Valens & more. Rest in piece dear friend.

He will be missed around town. Very sad. He worked along side of my father for years at De Havilland.
