It was wonderful to reconnect with Pia and reminisce, laugh and talk during lunches and visits with my late mother, and former neighbors Doug & Marlene over the past few years. I can only say that I thought Pia was so brave and lived with her illness with much strength and dignity. My sincere condolences to you, Al and to your family and extended family. I will always remember our long standing friendship. Laurine (VanderPoel) & Pierre Moreau

We had the great pleasure of having Pia as our neighbor for the past five years. Pia was a lovely, gentle lady. We spent many hours on the front porch sharing stories of growing up in the sixties. She carried her personal burden with quiet grace and dignity. She will be remembered fondly and dearly missed. Our most sincere condolences to Al, Inger and family.

So, so sorry for the loss of a dear friend. After her retirement and relocation to Wasaga Beach, it was great to reconnect and share meals and reminisce. RIP in peace Pia, you fought a great fight. ☹️☹️ Doug & Marlene

Remembering our first "ski instructor" both on the water and on snow. As kids we looked forward to that one summer day on Go Home Lake and our winter experience on the hills of Horseshoe Valley. To Al and family, my condolences on the loss of your sister. Theresa (VanderPoel) McArthur

Algis - My condolences on the passing of your sister. I knew she had been fighting cancer for some time but didn't realize she was in Barrie. Some of our high school class were more involved in her life recently than me but I will always remember the two of you from our class and Pia from her involvement in our last reunion. Up until the pandemic, I was in Waverley every Sunday and as I passed by your farm you and Pia always came to mind. Take consolation in that she can now enter into her eternal rest where there is no more pain or suffering. Blessings
