

Rosalie Gracey

I am very sorry for the loss of your dear loved one. God has promised to, one day soon, eliminate death forever, along with all sickness, pain, and sorrow. (Rev.21:4) He has also promised to reunite us with our loved ones on a restored paradise earth. The Bible says he yearns to do this. (John 5:28,29; Job 14:14,15) I hope these scriptures will bring comfort to each of you.

Thank you so much for being my "Auntie Rosalie" throughout my childhood. I remember your dinner parties (I was often downstairs, playing on your piano). My mother (Tricia Moorley) remembers you with such love and friendship. I also remember that you and Bob were the ones who managed to get me into camp Min-e-o-wee, a wonderful few summers in a lovely place. Uncle Bob - my deepest condolences as you lose the love of your life. I think of you both often with great affection.
