

EDITH VIVIAN BELL

I had a crush on Miss Robinson and was a little disappointed when she came back after the Christmas break (if my memory is correct) as Mrs. Bell :) You have a great picture of her as I always remember her smiling very easily. My sympathies go out to Jack and the family.

Mrs Bell/ Miss Robertson was my teacher for grades 3, 4 and 5, and remained my favourite throughout my education. She certainly made a significant contribution to my love for reading and learning. She read us Anne of Green Gables, one chapter a day, and two if we were good. Very sorry to hear of her passing. My sincerest condolences to Jack and her family.

Dear Jack and family, So very sorry to hear if Edith's passing. She fought a long and strong battle with her cancer. She was always optimistic and carried that contagious smile with her , as long as she was able. I was privileged to work with Edith at Wyevale School , during the beginning of my career. She was a great mentor who loved her students. Also had the privilege of having Jack as my first principal in 1969. Our sincere sympathy goes out to the entire family. She will be greatly missed .

Dear Jack & family, it breaks my heart to hear Edith has passed away. Such a special, thoughtful & graceful lady who I was blessed to know. I could never thank you her enough for the hours she spent with Joseph to help guide him in his reading & studies. It made a world of difference & I truly believe he would not be where he is today if not for her kindness & patience. He adored her as did I. What a gift she was to this world. My thoughts & prayers are with all of you. Sarah Bearcroft

It is with deep sadness to hear of Edith's passing. Edith was an inspiration and an awesome teacher. She always told me that our class of 59/60 was her favorite class of students. Edith was a great reader and to this day I love reading because of her reading to us after lunch. Some days we could get her to read for an hour or more. Edith took interest in all her students even after we graduate from college or university. The most unforgettable characteristic I learned from Edith was to use your abilities to the maximum and you will be successful. I always thought of Edith every year on her birthday August 5th. Edith was a very generous and genuine person. I will always remember her kindness and warmth..
