When I think of Uncle Ted, I think of being the ring bearer at his and Auntie Mar's wedding, getting stitches in my head at three years old after falling in the snow when at a sleep over at their home, watching Neil Armstrong step on the Moon while camping with them in Myrtle Beach, more stitches, this time in my foot while camping at Killbear Park (one should never chop wood bare-footed) and many more adventures. Our condolences, Auntie Mar, Teddi and Eldred.. He will be missed.

Marlene and family please accept my sincere condolences. Ted was always such a happy and nice fellow. Between him and Bev they kept me supplied with jokes at the family reunions. They were quite the pair. Treasure your memories that you have had. Keeping you in my
