On behalf of the O'Hallarn clan from the old 2nd line, we extend our condolences to Mark and Heather and families. Willis and Ellen were wonderful neighbours and great farmers. I always admired the hard work that Ellen put in every day whether in the barn or out in the fields and raise two fine kids we grew up with. She always had a smile on her face whoever she met. God Bless her, Brian & Linda, Pat & Peter, Monica & Sandy, Larry & Nellie.
