My heart is broken and the sun has lost it's luster. We have lost a wonderful man who made this world a little better. Greg you will always hold a special place in my heart. I loved your sense of humor, your candor, your strength, and your love for your family and friends. The only saving grace for me is I know that you are no longer in pain and are with your mom whom you missed so much. RIP Greg, love you.

I want to reach out and send our deepest condolences to all of Greg's family. We are extremely saddened to hear of his recent passing. I met Greg over 10 years ago through my ex. He always attended our sons birthday parties and for a a few years, he even use to sit with my grandmother in Collingwood hospital while they both had dialysis. He would always ask about our family and was kind and caring. I am extremely privileged to get to know such a great person. We will miss his laughter and smile. Sending the tightest hugs to you all. Our thoughts and prayers are with you!
