

JONATHAN DENNIS WARREN

Our members send their condolences to Eda and family. We knew Jon was very ill but his passing still was a shock to us all. Jon was a friend to all that he touched at the Curling Club. He was always smiling and was at his best tipping a few after the game joking with his fellow curlers. Jon was missed since he became ill and the void has become bigger with his passing. Rest in peace my friend.

Fare thee well on your latest journey Jon. I will treasure the great memories of sharing a stage with you many times. Your versatility, infectious humour, solid musicianship, great vocals, and that grin that made you look like a teenager will live on in my memories and storytelling of you. Thanks for everything Jon. And I'm certain that myself, and many others will be toasting, and reminiscing the many times that you touched our lives with your spirit, skills, and friendship. You will be missed, but I'm just glad that I got to know you.

I am glad I had the pleasure of knowing "JON" he was fun to be with when curling. Loved his stories, and enjoyed his company when we had a drink after the game. My condolences to his wife and family .

Jon welcomed all of us, and his energy and talent was contagious. Great story teller, and loved to listen to him sing when I was in town. I think he was a goalie at one time briefly and those stories were great. He was a man's man - with so many admirable qualities and talents. He taught all of us a lot about animals in the Ontario wilderness. He could take down several cords of wood before breakfast was served. Jon - was a Beaut - and the memories last forever. For now we see through a glass, darkly; but then face to face: now I know in part; but then shall I know even as also I am known.

It's so hard saying goodbye to such a great man. We only got to see you a handful of times, but what times there were. We were blessed to have those times with you. Anyone who met you would have had their lives enriched. Jon you may be gone, but will never be forgotten. Mexico Train will never be quite the same again! Keep on smiling, singing and playing your guitars. You are in our hearts forever! Julie & Peter Lindsay
