Dear Dr.John.,Gordon and Ian I am so sorry to hear of Wendy''s passing. During your time in Elmvale,Wendy made such a contribution to the founding of Huronia Centennial School. She was on the Flos Area 1 School Board,later became Chair of the County Board .Aiways,Wendy was a force to make and keep HCES vibrant and progressive. Elmvale was so fortunate to have Dr John practicing medicine,while Gordon and Ian excelled as students. Your family,will always be remembered as one of the cornerstones of our Huronia Centennial School. We are proud to have known Wendy socially and will miss her Pat Turner and Frank Archer

Dear John , Gordon & Ian, Barry and I are very sad to lose Wendy. She will always hold a special place in our hearts. We enjoyed our visits to your home and your friendship. Wendy's dinners were a work of art as were her gardens in summer. Those were special days the memories of which we hold dear in our hearts. We admired all her hard work for education too. She will be missed. Pat & Barry Navarra
