It is with great sadness to hear about the passing of such a wonderful man. I worked with Stan as a new Constable to the Wasaga Beach Detachment in early 1993. Stan and I worked many shifts together and I learned so much from him both about policing and about life. Please let me know when the celebration of life will be held because I wouldn’t miss it. I have many Stan stories to share.

Sandra and family, sending my condolences. Stan was the most gentle human being I think I knew. He had wisdom to share and could always see the other side of a situation. His love for his family showed in his everyday actions. Sandra, through our years of working together I certainly saw how much love Stan had for you and his concerned during our crazy winter drives when he met you at the door showed me again how big his heart was. Hold memories close to your heart and know this man has left a big impact on many people.

We will all miss Stan very much. He loved his family, his job with the OPP and the community of Elmvale. He was generous and kind to all The first time I heard of Stan was visiting my sister in hospital after a tonsillectomy. A dozen beautiful long stemmed roses were at her bedside. I told Sandra Lynn he was a keeper...

Sorry to hear about Stan. I have some fond memories about him thru past years. I thought this was a beautiful poem & I hope it helps you thru the coming days. "Do not stand at my grave and weep; I am not there. I do not sleep. I am a thousand winds that blow. I am the diamond glints on snow. I am the sunlight on ripened grain. I am the gentle autumn rain. When you wake in the morning hush I am the swift uplifting rush Of quiet birds in circled flight. I am the stars that shine at night. Do not stand at my grave and cry; I am not there, I did not die."
