Our sincere condolences. Faye was a great woman. When I started to volunteer at the Food Bank she was still involved. Got the opportunity to work with her several times. Also worked many times at different Church functions- she was always so caring. She will be missed by her family and the community.

What a beautiful tribute to a great lady!! I never saw Faye without a smile on her face. She was always caring and kind and was so proud of her attentive family and grandchildren. When we needed a place to stay on our travels from Windsor we knew we would always be welcomed into Ron and Faye's home.

Deepest sympathies to everyone. May your memories help in your time of sorrow. When Faye was supply teaching and one day I had her I needed a poem and could not find one. She gave me the following and I have never forgotten it. " I eat my peas with honey, I have done it all my life, it makes the peas taste funny, but it keeps them on the knife."
