God Bless your loving family as you celebrate Claudia's life. May you have peace in your precious hearts knowing she loved each one of you so much. Claudia was loved by so many and had a wonderful life. Her love for the simple things in life was evident. Thank you to the little birds that danced around her feeder and entertained her for hours. Photos of her sitting outdoors and feeling the sun on her face will be treasured forever. Sitting outdoors as she sipped on her tea and enjoying all of those home baked goodies made her family smile. Most of all Claudia was with her family and she knew she was safe in their loving care. A goodnight song always made her smile because of her love for music. Now darling Claudia as you hear the heavenly angels sing may you Rest In Peace. We will love your family and do many wonderful acts of kindness in your memory. Thank you dearest Claudia for smiling even when I sang out of tune. I amongst many loved you so much. Is that a little bird I hear or a heavenly angel? Ave Maria.....

A wonderful woman who nurtured a wonderful family. What a legacy your mother has left. Among other things, I recall Claudia's sense of humour, as well as her kindness. How she managed to introduce a corral of adolescents into learning French still amazes me. But she did it well! Merci Mme. Kenney!
