Dear Karren, We were very sorry to learn of Ted's sudden passing. Garry and I grew up in the summers at Bluewater Beach and I often hung out with Susan and became good friends with Joe and Ted. I also volunteered with Ted at C.A.R.D., the Community Association for Riding for the Disabled in Toronto. Ted was a very caring person. I would enjoy speaking with him when we crossed paths in town and at the 'Let's Do Lunch' at the church. I will miss him and Garry and I send you love and peace.

On behalf of the congregation of Elmvale Presbyterian Church we extend our sincere sympathy to Karren and her family in the loss of Ted. He was such a willing participant to lend a hand around the community and especially in tidying up after events at the church such as Let's Do Lunch. We will miss him.

Dear Karen Although I didn't know Ted well he was nice company at the Coffee Time when I took my Dad (Donald McGrath) for a cuppa. Ted always asked about Mom (Lorna) and I and my sister's so appreciated his interest in her as she was on the path of Dementia. Ted had a kind heart. And we will remember. Thank you Ted. All the best Karen.

We are so sorry to hear of Ted's sudden passing. Ted was a regular at the Shady Trails Riding Stable in Bluewater Beach from early spring until Shady Tails Riding Stables closed the riding stables for the season. Often Ted had to be coaxed to go home and get ready for school once the Stables closed up for the season. Ted was like an "adopted son", lived with the Caston family for many years and would often appear at the old homestead in Wyevale and their new location on the 4th Concession which was called Caston's Appaloosas. All who had an opportunity to know him will miss him immensely.

Karren I'm so sorry to read about Ted's passing. It made me very sad to read. I always enjoyed chatting with you and Ted ok let's be realistic it was mostly Ted did the chatting lol He always took the time to ask how I was doing and enquire about the kids or wave a hello in passing. I will truly miss his friendly face and chats. I'm thinking of you and your family at this sad time and I hope to still chat with you when we see each other in the future. I hope you are well and that your heart heals with time and memories of Ted stay alive and happy in your memories.
