Sharing my sincere condolences and respect to Julia and her family, following the loss of Ms. Bonnie Stephens. I work with Julia and Julia lights up when she speaks about her family, and in particular her mom, finding brightness even in the dark times. In reading Bonnie's obituary, it sounds as though the qualities for which Bonnie will be remembered are many of the same qualities that Julia exudes; this is a beautiful tribute to her mother's legacy. Julia: thinking of you and here for whatever you need. Take care. ~ Michelle

To Leo, James, Michael (Nicole), Kenny, Julia, and Adam we wanted to pass along our deepest condolences as we just heard this news. She was truly a person who had more love & patience than anyone we've ever known as she loved & put up with Leo since the early 80's....and that's something the military should've given her a medal for!!. Raising the kids to who they've all become today is something that only a beautiful person like Bonnie could've done with Leo's love & support. Bonnie had a heart that was so big that we all loved and knew because only "the boy's" knew, as she opened up her home to us only to have to wonder what we had done to it for many days to come!! We all love you, and wish your journey now to be filled with the smiles & laughter you always shared with us. Thomas & Christine
