I wish to extend my sympathy to Lois' family. She was such a friendly and kind lady and it was such a privilege for me to meet her at First Baptist. She was so pleased to have some of her family members sing for us there. May God surround you all with His comfort and peace at this time.

Having had the pleasure of a 14 year friendship with dear Lois I do feel that I know you all. My heart goes out to each and everyone of you: we have all lost a dear friend. I could go on about what I know about Lois's wonderful family but I will let you grieve as I am doing. Lois was very proud of all of you. She was a special lady and a good friend to me.

We may not have had the best contact but the memories remain strong. Dad, Uncle Charlie will miss the long conversations with Aunt Lois and all the laughs they would have. Our deepest condolences to everyone.
